## PROFESSIONAL EXPERIENCE

### **Pension Benefit Administrator | Willis Towers Watson - WTW | Dec 2025 – Present**

-Supported pension administration services for four clients across North America, processing pension payments and retirement benefit transactions accurately while ensuring compliance with client policies and service-level agreements (SLAs).

-Reviewed and maintained pension records, verified member eligibility, and processed benefit calculations, payment updates, and other pension-related transactions with a high level of accuracy and attention to detail.

-Responded to client and member inquiries regarding pension benefits, payment status, and account updates, collaborating with internal teams to resolve discrepancies efficiently while maintaining data confidentiality and quality standards.

### **Process Executive | Cognizant Philippines | Nov 2024 – Dec 2025**

- Provided customer support for a U.S.-based healthcare account specializing in Medicare and Medicare Supplement plans, handling 60–80 inbound calls per shift.

- Assisted members with billing inquiries, premium payments, policy updates, and provider network verification.

- Maintained an average 95–98% quality assurance score while delivering accurate, policy-compliant information and ensuring HIPAA confidentiality standards. Resolve client concerns efficiently with professionalism and empathy.

- De-escalated complex or sensitive concerns using empathy and problem-solving skills to maintain customer satisfaction.

- Adapted quickly to policy updates during Annual Enrollment Period (AEP), managing high call volumes efficiently.

### **Part-Time ESL Instructor | Enderun Colleges | Feb 2024- Mar 2026**

-Taught English to international students through Summer and Winter Camps and conducted one-on-one ESL classes for young learners, high school, and university students.

-Developed CEFR-aligned (A1–B2) lesson plans and facilitated engaging, student-centered learning environments that improved students' speaking confidence and English proficiency.
